

FIBRE CONNECTIVITY FOR SYSTEMS INTEGRATORS IN THE BROADCAST SECTOR

"WE'RE COMMITTED TO PROVIDING CHOICE THROUGHOUT OUR CUSTOMERS' LIFECYCLE, WHETHER THEY JOIN US FOR SPECIFIC MEDIA SOLUTIONS OR NEED ADDITIONAL GLOBAL NETWORKING SOLUTIONS. GEO'S FIBRE GIVES US THE CONTROL WE REQUIRE TO SCALE UP OUR CUSTOMERS' BUSINESS AS AND WHEN REQUIRED."

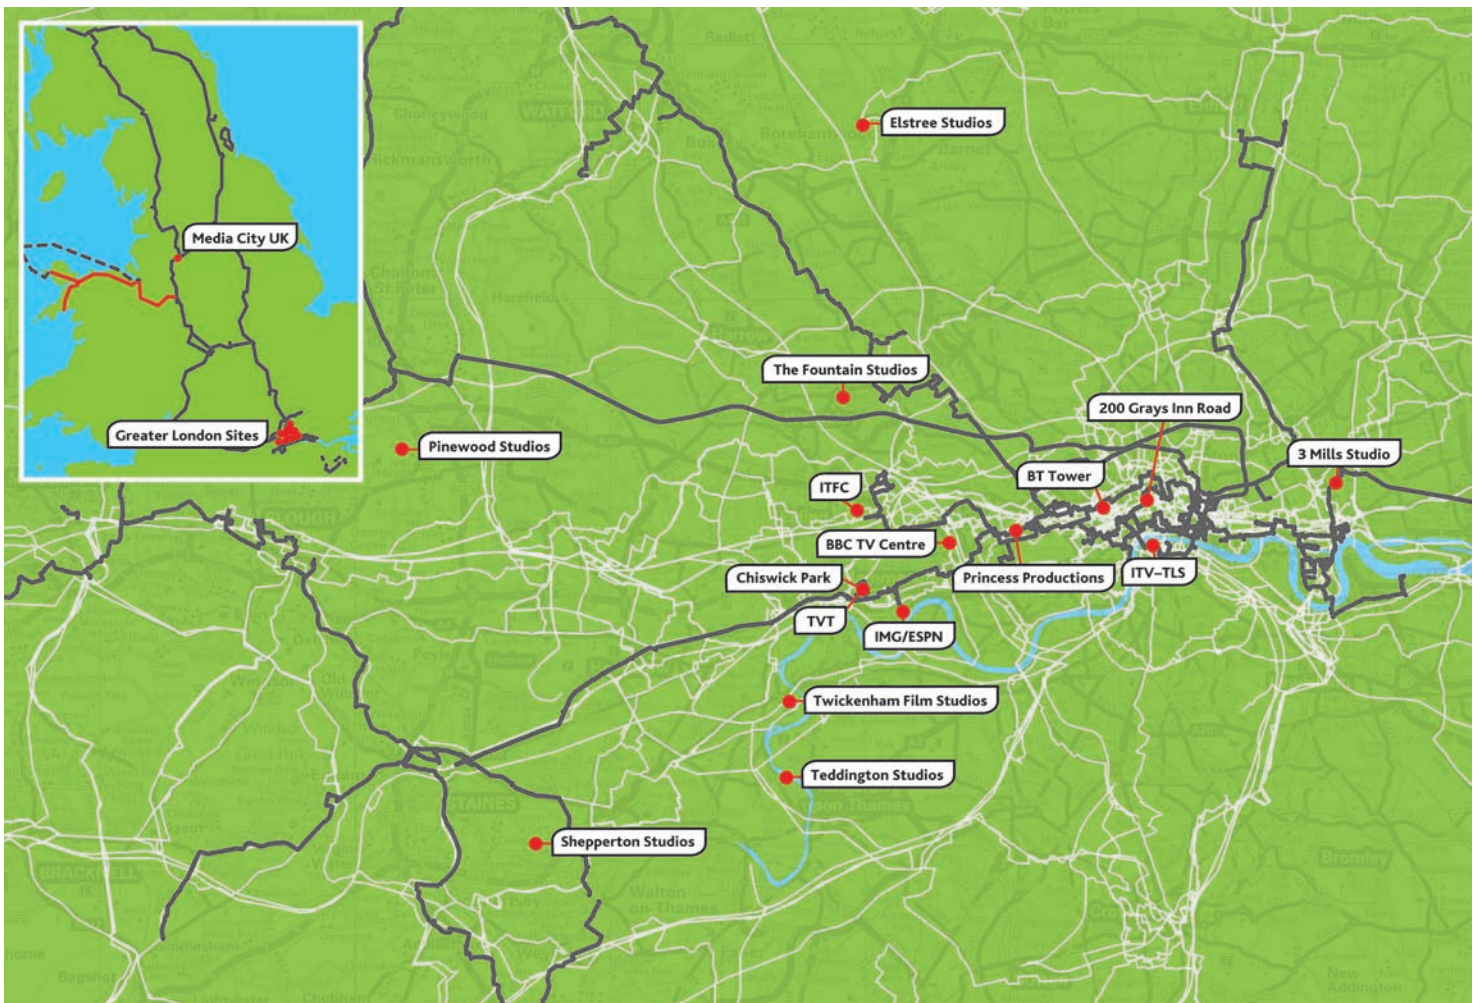

Neal Harrison, Managing Director, Convergence Group

A 3000km network reach to the UK's major broadcast hubs.

Geo Networks is fast becoming synonymous with communications networks for the broadcast sector. Already working with some of the biggest names in broadcast media; both direct and indirect via systems integrators, our 3000km network can connect the UK's broadcast hubs from Manchester to London to Buckinghamshire and beyond.
